

Hartford Funds Retirement Asset Transfer/Direct Rollover Form

HARTFORDFUNDS

Our benchmark is the investor.®

Purpose

To initiate a transfer or direct rollover of assets from an existing Trustee/Custodian to a Hartford Funds retirement account.

Instructions

IRS rules may limit your ability to transfer assets between certain types of plans. These instructions help you to determine whether a transfer or direct rollover of assets is proper. Note that these instructions do not describe all the limitations that may apply. In addition, these instructions do not address the rules that apply to rollovers of amounts that have been distributed to you, as the Retirement Asset Transfer/Direct Rollover Form does not apply in that situation. **Caution:** Generally, you can roll over funds from any of your IRAs only once within a 12-month period.

Amounts Ineligible for Transfer or Direct Rollover

Certain amounts are not eligible for transfer or direct rollover; such as:

- any amount that is a required minimum distribution
- hardship distributions (including distributions “due to an unforeseeable emergency” from a 457(b) plan)
- installment or annuity payments extending for your life, life expectancy, or a period of 10 years or more
- amounts that have been distributed to you (although such amounts may be eligible for an indirect rollover, if the rollover is made within 60 days after you received the distribution)
- taxable plan loans
- corrective distributions from a qualified plan (including a return of excess deferrals or excess contributions)
- excess or disallowed elective deferrals or excess contributions to a SEP IRA

The rollover rules are complex. You should consult your accountant, attorney or other qualified tax advisor before completing a transfer or rollover. Hartford Funds is not providing you investment advice. Hartford Funds is not acting as a fiduciary.
